Duty Person: The Wednesday a.m. bowling time requires a duty person for the two summer months. A sign-up sheet is on the board in the locker room. Please help in keeping bowling going these days.

REMINDER: The Duty Person is the person in charge of bowling when opening. They will ensure the rink markers are correctly noted and choose the rinks to play on. They also choose the teams to play. They will initiate the putting out of playing equipment, but it is the responsibility of all teams to help with this task in setting up the rinks. When a rink is finished it is their responsibility to put away all equipment including scoreboards used by the team.

Committee Reports: attached.

New Business: We have extended an invitation to Abbotsford Lawn Bowling Club to join us for a Wednesday evening bowl and BBQ this summer. We will keep you informed of the date. Twelve CLBC members attended a BBQ and evening bowl in Abbotsford on July 3,2024. The Abbotsford club was very welcoming, and we all had a wonderful time.
