Committee Reports:

Fundraising: The bottle returns have gained us \$389 to date this fiscal year. Please keep saving your refundable containers and use one of the Lawn Bowling “Return it labels” - found at the club house. We then receive the credit for the return you have submitted. The July 1st BBQ raised \$110.

Facility: We have purchased two new card tables as replacements for older unstable ones.

Social and Events: A big thank you is given to Heidi, Brenda and those that helped set up the July 1st BBQ. It was enjoyed by twelve members who bowled in the pm.

Rob Brown and Bryan Robertson won Men’s Pairs Tournament on June 27th.

Mixed Triples and Ladies Pairs Tournament in June were cancelled due to last minute withdrawals and no interest shown.

New Business: We have added Saturday at 6pm bowling to the schedule.

Brian will speak with the city re: security issues with the alarm system not being set by others using the building. He also will again ask if the equipment room double doors be redone with outside access, so the city does not have to gain access via the locker room.

We will purchase another eight blue mats, so we have eight rink coverage.

We require a Duty Person for the first two Wednesdays in August.

REMINDER:

When returning equipment at game end- Please FLIP over green mats into five or six sections for lying flat. If they are wet, then they are hung to dry when they are returned.

Blue Mats must be stored flat with no folds. Thank you.

No Directors Meeting in August.

Next meeting September 2nd at 1000h

Meeting adjourned at 1115h.
