

CLBC Directors Meeting May 2024

May 1st, 2024, 1300(1pm)

Attendance- Brenda Golden, Brian Elliott, Joan Robertson, Janice McMurray, Carol Jean Chevalier

Correspondence: Brian Middleton from Meadowlands Golf Course can only sharpen lawn care equipment in the off season(winter). We have liability and warranty concerns with him doing this work on site at CLBC. After discussion it was decided that we will continue to use the business John Deere for our sharpening, repairs, and regular maintenance of our specialized greens machines. We will use another lawn care business for the regular mowers.

A letter was sent to the high schools inviting interest in exploring a time for students to be introduced to Lawn Bowling. We are waiting for replies.

Mike Walters has contacted a supplier of Team Shirts to obtain costs on acquiring CLBC shirts. We would use our CLBC Pin Logo on the shirts. Further information is coming.
