Old Business:

- Brian will contact GW Graham school to finalize a plan to have a student bowl event this spring. The cost for each student will be \$5.
- Brenda will contact H.I.M. to finalize their wish to hold bowling events for their group on Tuesday evenings in the first and third weeks of the month. The cost will be \$75 per event.
- Mike Walters will organize tournament dates, and we hope to know the schedule for when bowling starts—so we can all get excited about signing up for these events.
- Bowling times are still not decided as we have had interest expressed in duty people by only two members. We need your help with bowling six days a week. Please help with the day. Remember as a duty person you can decide on the time—am/pm. It only takes a few extra minutes each time you come out—and you are coming to bowl anyway—so give a hand.
